

Miner (aka Bryner) Cemetery Needs Volunteers for Grave Marker Preservation Come Join Us

The Jefferson County Genealogical Society Cemetery Preservation Committee needs volunteers for the long term sustainability of the Miner cemetery. It has long been ignored and it's past time to take action. This is a "Boots in the Dirt" project and you must be able to: kneel, bend, stand, and lift things. Volunteers will be asked to spray cleaners, water, use scrub brushes, shovels, pry bars to help level, stabilize and repair stones. Everyone will work in teams, all necessary tools and supplies will be provided. Any and all help is greatly appreciated.

When: Saturday, April 23rd, 2022 – 9 AM until 12 PM

Rain Date: Saturday, 14 May 2022

Where: Miner Cemetery, 2380 Wilson Avenue, Madison IN 47250

Contact: Jefferson County Genealogical Society, JCGS@cinergymetro.net
